

LIMITED WARRANTY/RETURN POLICY

INSTRUMENT WARRANTY

Activator Methods International, Ltd. guarantees the Activator® adjusting instrument against defects in material and workmanship under normal use for one year from the date on the delivery invoice. This includes any instrument that malfunctions or breaks under normal use, but does not include instruments that have been misused, dryfired, dropped, submerged in water, or disassembled.

All warranties on replacement instruments revert back to the original purchase date, and no new extended warranties are given with these replacement instruments. Activator Methods warranty applies to these instruments purchased from Activator Methods or an authorized Activator Methods International Ltd. distributors.

Shipping and Handling fees are non-refundable.

Please allow 10-14 business days for all warranty instrument replacements.

The limited warranty described herein shall be in lieu of any other warranty, expressed or implied, including but not limited to any implied warranty or merchantability or fitness for a particular purpose. Activator Methods International, Ltd. makes no other warranties, expressed or implied.

"ACTIVATOR" is a registered trademark with the Principle Register of the United States Patent and Trademark Office.

"ACTIVATOR METHODS" is a trademark with the Principle Register of the United States Patent and Trademark Office.

All Activator® adjusting instruments are patented with United States Patent and Trademark Office and meet Medicare requirements for manual manipulation.

RETURN/EXCHANGES POLICY ON INSTRUMENTS

In the unlikely event you are dissatisfied with your Activator® Instrument, you have 14 days from the shipping invoice date to return it to us for a refund less a \$50 restocking fee per instrument. After 14 days, all warranties referenced above apply.

Shipping and handling fees are non-refundable. This policy is effective 1-1-08.
